Gates Community Chapel, Freedom Village of Rochester, Inc.

Gentleman:

As a Follow up letter from William W. Hafer Attorney At Law Letter dated April 30, 1993. I am Betty King's Daughter Robin A. Huff I am representing my mother. I am enclosing herewith a copy of both letters from the Attorney Hafer. And a Copy of the original copy of the loan my mother has signed.

My mother is 78 years old and hard of hearing she is still working part time to support her self. She is going down in health because she needs this money to pay her bills and taxes. She would not have to work if you could see fit to please pay her back the \$ 47,000.00 she had given the Freedom Village. There have been people that have died and not have received there money back. She really needs this to stay alive. I love my mother and I would like her to live a little longer. She has been more than patient and has not sued anyone. Can you please see fit to help her. I am sure you have family that sit in the Disbursement chair that you love also.

Please advise at your earliest convenience the status of my mothers claim of \$ 47,000.00.

Very Truly Yours,

Robin A. Huff
